Report of the Committee on Town Debt.

To the taxpayers of the Town of Warwick in Annual Town Meeting assembled on Nov. 16, 1909, the Committee on the Town Debt respectfully report as follows:

That by the death of Dr. Aram W. Colvin which occurred on the 16th day of October last your committee suffered the loss of its chairman.

While previous to the passed year no regular organization of the committee was had, still Dr. Colvin had acted in the capacity of chairman for a number of years. He was well informed and much interested, concerning such matters as come within the province of the committee, and gave them faithful consideration and care. His death is a distinct loss to the town in this branch of its service as well as in others.

For the first time, so far as is known, said committee has during the passed year been regularly organized by the selection of a chairman and of a clerk, and have met and formally considered such notes, as the Town Treasurer has from time to time submitted for its approval. Upon such consideration it has voted to approve, made record of such vote, and signed in approval thirty-two notes, aggregating $870.000, all of which with the exception of one note for $40,000 for temporary Tax Loan (now retired) were in renewal of maturing notes of the floating indebtedness of the town.

The following of such notes are now outstanding viz:

No.	Dated	Payable at	Due	Rate %	Amt.
60	April 5, 1909.	City Trust Co., Boston,	on demand,	3½	$80,000

	Total Bonded Indebtedness issue of 1902, 30 years			3½	400,000
	Total Indebtedness of the Town.....				800,000

being the same amount as at last annual report.

The sinking fund for the retirement of said Bonded Indebtedness now amounts to $64,134.38.

The annual appropriation for said sinking fund has thus far been $6,000. This amount with its accretions of interest will be insufficient for their retirement at maturity. It is impossible to determine accurately what amount will accomplish this purpose, as the future rate of interest on the sinking fund is uncertain, but at the rate of 4 per cent. as at present $7,000 will be sufficient therefor and provide a margin for shrinkage of interest on the fund before maturity of the bonds. Your committee therefore recommends that said sum of $7,000, be to day and annually appropriated for said Sinking Fund.

Respectfully submitted,

STEPHEN W. THORNTON, } *Committee.*
WILLIAM C. NICHOLS, }
